AN EASIER WAY TO CONNECT WITH US

Our educators use SchoolStatus to connect with parents, and we want to connect with YOU!

.....

• DO I NEED TO DOWNLOAD AN APP?

Nope! Calls & texts may come from a number you don't recognize, but that is YOUR direct line to the educator contacting you.

• IF I RESPOND TO A TEXT, WHO GETS THE MESSAGE?

The educator who contacted you! You're not responding to an entire group. It's a 1:1 message.

• IF I MISS A CALL, CAN I CALL THE NUMBER BACK?

Yes! You may leave a message for the educator who called, or speak directly to the educator if calling during his or her office hours. Or, better yet, send a text to the same number and you'll reach the educator who called you.
